

## GSKC Club Newsletter March 2024

This month our Club Championship kicks off with Round 1 on Saturday 16th March.

Greater Sydney Kart Club is committed to building a better club for all our members and off the back of our newly resurfaced track and a successful Dash for Cash feature event, I'm proud to announce three great reasons to commit to our 2024 Club Championship:

### **1) Your opportunity to win a new Kosmic, Lando Norris, Redspeed, Gillard or Carlos Sainz chassis!**

We are pleased to announce that International Karting Distributors (IKD) have come onboard as a club sponsor.

At the end of the 2024 season one lucky club member will be given an OTK chassis of their choice via raffle.

If you like the idea of winning a Kosmic, Lando Norris, Redspeed or even the brand new Carlos Sainz CS55 kart then all you have to do is join the club, or be a current paid member, and race with us. Every time you enter a round of the 2024 Club Championship you will get a ticket in the draw to win this amazing OTK kart.

The draw will happen at the end of the 2024 Club Championship year and the rolling chassis will be for the winners race class only.

Thanks to IKD for their generous support. Check out their range of karts, parts and accessories at [www.internationalkarting.com.au](http://www.internationalkarting.com.au)

## 2) Your opportunity to win a Black Plate

Later in the year we will be hosting the Karting Australia NSW closed State Title where class winners will be awarded a Black Plate.

The Black Plate event will likely be combined with our Greater Sydney Cup event held on Saturday/Sunday 10th - 11th August.

## 3) Your opportunity to be rewarded for lap consistency

Up for grabs is \$50 for every driver who gets a 'Triple'! If you can achieve three identical lap times in consecutive order during an official GSKC race in 2024, as measured on Speed Hive, the Club will reward your consistency with \$50. So let's get after chasing a 'Triple'!

## Round 1 Saturday 16th March

This month our Club Championship kicks off with Round 1 on Saturday 16th March.

Please register early to help the club officials prepare for the event and secure your race number. Register at [portal.karting.net.au/](http://portal.karting.net.au/)

The event is all day Saturday finishing under lights, so make sure you bring a clear visor for the Finals.

## **Welcome to our New Members**

I'd like to extend a warm welcome to the more than 30 new members who have joined Greater Sydney Kart Club so far this year.

## **Track Improvements**

As a club we were able to use funds left over from the resurfacing to extend the concrete out/in grid and upgrade some of the fencing. The new out/in grid and weighing area will be completed before Round 2 of our Championship in May.

## **New Canteen**

We're delighted to let you know that we will have a new canteen for 2024 run by and for our club! The canteen will still be in a temporary shelter during this Round but we are working towards a permanent canteen structure.

## **Tuesday Night Training**

Tuesday night training is available throughout Term 1 of school. This has been very popular throughout February. Take advantage of the uninterrupted practice and register via KOMP under Social Karting at [portal.karting.net.au/](http://portal.karting.net.au/)
